

Movie_Title: Blended

Movie_ID : 232672

Synopsis: Recently divorced mom Lauren and widowed dad Jim let their friends push them into a blind date which goes disastrously wrong. Unsurprisingly, neither wants to see the other ever again. However, fate intervenes when both Jim and Lauren unbeknownst to each other purchase one-half of the same vacation package at a South African resort for families during spring break. They and their children are forced to share the same romantic suite and participate in a slew of family activities together.
